A Facility of Santa Clara County Parks

A DOG FRIENDLY 5K and 1K RUN/WALK

Proceeds will be donated to the City of San Jose's 'Guardian Angel Program' and will be used to provide medical care for special needs pets who don't yet have homes. Money raised on their behalf allows them to get the surgery they need to recover and be put up for adoption. These funds literally give them a second chance at life.

We invite you to be a Hoofin & Woofin 5k9 vendor.
